

The Fallen Entities & The Grand Deception

BACKGROUND STORY

The Collins Elite is a Clandestine US Government Group formed in the late 1940's to track The Fallen Angels/Demons/Nephilim.

They are Spiritual Entities from the beginning of time here to enslave humanity and install a Fake One World Religion and False Anti-Christ known as the Grand Deception at the end of this Epoch of Man.

Through THEIR(Fallen Entities & Their Minions) use and manipulation of the Service2Self Human groups since the beginning of time(Master Masons, Secret Societies, Bloodline Families, Illuminati) they control the media/Hollywood/ New Age Books/Teachings, Internet & Various Communication Technology.

In the present day and age (since early 20th Century) they've manipulated us into believing they are ET/Alien Entities especially to the many outside circles (Us Govt Special Access Groups) who have been investigating them.

Sometime in the late 1940's Jack Parsons and L Ron Hubbard opened a portal while doing the Aleister Crowley Babylonian Working (an occult Ritual known to summons inter-dimensional beings/demons).

Jack Parsons was a self admitted occultist and student of Crowley

in charge of Thelemic Orders.

He admitted he summonsed these beings (Demons/Fallen Angels) into our Dimension and that all sorts of Demons, UFO's etc came through manifesting as UFO's and various other unexplained phenomena.

The FBI, Air Force and various other US Agencies were investigating Parsons due to this massive UFO activity happening in the late 1940's after he opened the portal. (Kenneth Arnold seeing the 9 UFO's over Mt Ranier, the Roswell UFO Incident etc)

Parsons admitted to stealing papers from Hughes Aircraft and the FBI and Air Force got him to admit he was responsible for the UFO's and unexplained phenomena that showed up in the late 40's.

The Collins Elite was originally formed as a small think tank and made up of military, govt and scientific experts to explore Parsons and what he had brought into the 3rd Dimension.

Inside The Collins Elite(CE) were highly moral and spiritual christian men who discovered Parson's and other Elites were using occult Rituals to interact with these Entities(Fallen Angels) who were coming from parallel dimensions to our own.

In 1952 two things happened.

In June Parson's blows himself up before he could close the portal. (He had to be the one to close it per ritual rules).

In July DC was invaded by massive fleet of UFO's.

This got all the Govt Departments to investigate as DC was freaked out.

The Collins Elite originally KNEW it was Demonic(Fallen Angels) in origin but once all the other Government Agencies became involved in the investigation THEY(Fallen Entities) deceived the investigators and THEY became known as BENEVOLENT SPACE ALIENS.

“ET’s from across the galaxy here studying. The benevolent-Space Brothers from Venus George Adamsky etc”

The CE then had to battle the massive Government sentiment of friendly ET’s in the shadows.

The CE knew satanic rituals were what initiated communication with these entities and that elements in the bigger Governmentt groups were doing their own versions of Satanic Rituals to contact THEM (Human Sacrifice and other occultic rituals to gain access to THEM).

The CIA/NSA/DARPA and other alphabet agencies have attempted to make contact with THEM in the hope they were benevolent.

This has lead to very bad things obviously. (This is why most of our world governments are compromised.)

The CE knew it was Satan/Lucifer and his minions masquerading as whatever they wanted to appear as (Space Brothers, Tall Blond Peaceful Nordics, Gray Aliens, Reptilians etc).

Because of this, The CE wanted America to become a forced

Christian Theocracy to thwart Satan/Lucifer's attack that they knew was coming.

Then the Eisenhower meeting happened in 1954 (Holloman AF) and we made a deal.

THESE FALLEN BEINGS are so demonic and dastardly in their efforts they even showed up as two different sets of ET's in order to ensure they had made a deal no matter what it took.

(One Benevolent Group-Give Up Your Nukes and We'll Give You Tech-Viracocha Type Nordic Beings is how they appeared) and (the Grey Automatons (We'll give you Tech in exchange for abductions and infrastructure, labs, hiding places under ground/sea.

We chose to Deal with the Greys because our Military was too scared to give up Nukes-"what if it was a ruse"?.

Since that Deal was accepted, our society has been a runaway freight train of a new dark technology of dissonance and incoherence taking us away from Nature and our divine purpose as loving beings.

Now we know why our society is collapsed-Fallen.

All the Special Alphabet Agency projects ESP, MK Ultra, Montauk, since the 50's, 60's, 70's, 80's and 90's (Pre Internet) etc are Demonic.

Every Movement is a deception of THEIRS.

Even Admiral Byrd met with inner earth Nordics (He met a Being

known as 'The Master' (Anunnaki Nordic type) who showed himself to be impressive, kind, and benevolent).

When he was inside the Hollow Earth, he was told that the Ancient Master Race (The Agarthans) did not want us to use Nuclear technology etc. Any guess as to who 'The Master' was? You guessed it. Lucifer the Leader of the Fallen Angels.

What is THEIR End Goal or the Grand Deception?

We are approaching a time unprecedented in the history of man.

There is no way to deny higher entities do exist and they are in communication with government special access programs.

It is now only a matter of time before it's revealed to the public in the **EXACT WAY THEY WANT TO DISCLOSE IT.**

With any truth, first it's downplayed and whitewashed.

Those whom follow it are considered lunatics, conspiracy theorists.

Then it's presented in movies, TV shows as comedic and works of fiction.

It is then carefully crafted to be presented to the public in the way it must be believed.

Now it is no longer conspiracy theory and has been carefully shaped and manicured for disclosure.

At Time of Full Disclosure, Higher Advanced Entities (Angels of Light-Lucifer Lead Fallen Angels) will dupe us to join them.

They are going to appear as our ET Saviors (Blue Beam) to save us from War, Pandemics, Fukushima, etc.

They will make us feel they created us and to accept THEIR NEW TRUTH.

A Series of statements will then come from our world governments to revoke all current religions to establish one World Religion etc.

THEIR new gospel for us to worship will be the final one world religion.

“They are more Advanced Spiritually due to their Technology”.

This is why Trump created Space Force.

It's all part of this Grand Deception.

THE TRUTH

These Fallen Angels have been manipulating us since the dawn of time as this domain is Satan/Lucifer's.

THEY (Fallen Angels/Nephilim/Minions) are not ET's but inter-dimensional beings aligned with human proxy servants as shown in multiple ancient texts (Pierre Sabak's works) and hundreds of Government documents from the 1940's.

These documents parallel with biblical accounts of the Fallen Angels.

THEY are Angelic Beings known as the 'Sons of God'.

Psalms and Deuteronomy relay "Yahweh has Given Control over the nations to these beings".

The Bible documents the Sons of God going with Satan to present themselves before the lord (to and from on the earth).

This is truly an inter-dimensional feat.

Satan/Lucifer is an inter-dimensional fallen being (the great Adversary) who can transform himself into an Angel of Light aka 'The False Light'.

Satan is the Ruler of this World and in CONTROL OVER THE GOVTS of his Fallen Creation.

Satan's long game is to become World King and upon the Grand/Great Deception this is what will happen until God/Jesus and His Angelic Armies show up at The Battle of Armageddon to defeat the darkness.

THE SOLUTION

This is a Cosmic Battle and very few of us are aware of the Spiritual Warfare being waged on us daily due to our consent to the Fallen Entities technology that manipulates us.

We've been de-super naturalized and nearly everyone has been deceived.

We have to unlearn this technocratic rationalism.

We must chose to be devotional to the real God and his son Yeshua/Jesus.

WE must remember this GOD FORCE
(Love/Light/Kindness/Compassion/Forgiveness/Concern/Empath)
is FOUND INSIDE OUR HIGHER SELVES thru our connection to
nature and our Guides(Jesus/God/Angelics).

We must put on the full Armour of God and RAISE OUR
VIBRATION to one of resonance and coherence.

We will be known by our Fruits!

Only a pure heart will be able to discern what is truth from error.

The time is coming where you must be able to stand and fight and
not cower in fear!

Remain Divine, Sovereign, Empowered and FREE!
